Xingu Mission Field Report

*Xtreme Mercy
Planting Churches and
Training Leaders*

Christoval

Carnival is Brazil's annual "celebration of the flesh" before the initiation of Lent on the Catholic calendar. It's a week-long party where "anything goes" and every city in the country shuts down allowing full participation by the people. The Vineyard churches combined efforts several years ago to begin "Christoval", a retreat for youth, away from the city, with a focus on Jesus and having a lot of good clean fun. It has been a great success, drawing kids toward Jesus and allowing an alternative during Carnival.

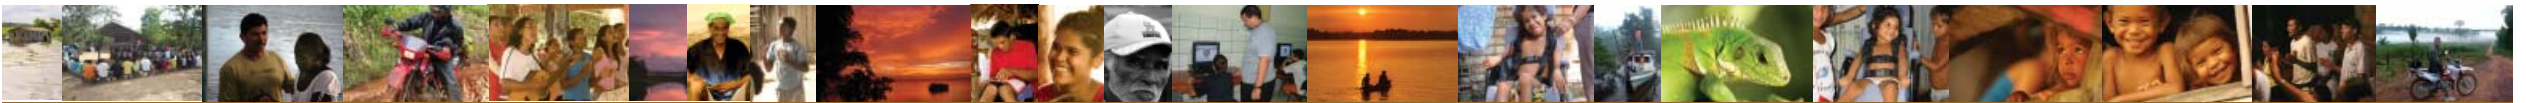

This year, 120 youth from Porto de Moz hopped on the Xingu Mission boat for an hour ride to the campsite, located on the Xingu River, while another 200+ youth, from Altamira, drove 5 KM to our partially completed training leadership camp. During the three day retreat, the youth had opportunity to connect with Jesus through lively worship and dynamic teaching. There was also much time devoted to praying for one another. Many testimonies were shared after the weekend about how the experience was life-changing.

Lively worship to our Lord

Altamira

The Altamira churches had around 200 people of all ages come to our Training Leadership Camp located 5 KM outside of Altamira. The theme for this year was "Purity, Love and Worship". There were many fun activities for the youth such as volleyball, soccer, an obstacle course, and dancing.

One of the biggest highlights of Christoval was during a service about family. The Pastor asked the parents whose children were present to come and lay hands on them and to pray. The Pastors along with other lay leaders laid hands on the youth

whose parents were not present. The Holy Spirit started to move and someone came up and shared a word from the Lord. Joel 2:28 "And afterward, I will pour out my Spirit on all people. Your sons, and daughters will prophesy, your old men will dream dreams, your young men will see visions". After the reading, the Holy Spirit came in power and practically all the youth were in tears in the presence of the Lord. Little children were speaking in tongues, and people were prophesying. It was a joy to see the Lord touch His children in such a special way.

The power of God touching the youth with many special moments

During the afternoon the youth participated in activities such as volleyball, and had races through a creative mud obstacle course through the jungle

Porto De Moz

We had around 120 people of all ages come to Monte Verde where we have our Training Leadership Camp. The theme for this year was "Running to Christ." We had a variety of people share and God spoke powerfully through each one. The message was about staying focused on the race marked for each one of us and that we all have a part to play.

During our three days there, 7 people received Christ as their Lord and Savior and many people encountered God in a new way. One afternoon we separated the

singles and married couples. This time for everyone was very special. The couples had a chance to go out and pray together and seek God. The singles had a chance to talk about living their lives completely for God. This Christoval was a good complement to what God is doing in our churches today.

We pray that those who were at Carnival, giving their lives over to their flesh and to the ways of this world, will find that that lifestyle will not fill the desire of their heart and that they will come to know the Living Water, drink of it, and never be thirsty again. *xM*
